

Sweet Talk Chocolates

Sweet Talk Chocolates are personalised chocolates, on which you can present your special message. You can choose from our great range of designs or create your own personal message.

A company logo presented on chocolate is a creative way to promote your business..

You can have your logo outline or message moulded onto the chocolate (setup fee applies only to customised moulds) or choose an existing mould design from our library. Your message or logo is made of White Chocolate on a base of Dark or Milk Chocolate. This provides a contrast to create a look of elegance. The chocolates are available individually wrapped or in elegant gift packs and boxes. The gift packs and boxes can further be personalised by hot foil stamping, calligraphy, bows and bands.
