

# Sweet Talk Chocolates

Sweet Talk Chocolates are personalised chocolates, on which you can present your special message. You can choose from our great range of designs or create your own personal message.

For weddings or special occasions, a personalised gift box of chocolate is an elegant thank you gift for your guests. You can have a Wedding design or message moulded onto the chocolate (setup fee applies only to customised moulds) or choose an existing mould design from our library. Your message is made of White Chocolate on a base of Dark or Milk Chocolate. This provides a contrast to create a look of elegance. The chocolates are available individually wrapped or in elegant gift packs and boxes. The gift packs and boxes can further be personalised by hot foil stamping, calligraphy, bows and bands.

We can create something simple or something startling, either way Sweet Talk Chocolates will have your name on the tip of their tongues.
